'Make It You' New session starting! Note – September meeting cancelled.

This is a program designed to help the younger generation to discover the fun, creativity, and endless potential of sewing and quilting. It's open to young people ages 8 – 18, boys and girls. Our younger participants may require a parent's or grandparent's assistance for the first few times. There is a \$20 one-time fee to join. The club meets on the second Saturday of the month from 12 -3 pm. Please call for schedule & supply info. Sessions are free. We will be making some really cool individual projects. New members are welcome!

Knitting & Crochet Classes

Over the past couple of years, we have had occasional requests for classes on learning to knit or crochet. Karen Hedrick has volunteered to take on teaching some basic knitting and crochet classes here at the shop. If you are interested in signing up, please call and put your name on the list. We are still working out the details and want to get an idea of how many people are interested. We would like to schedule the class for the end of October if we have enough people signed up.

Custom Made T-shirt Quilts

T-shirt quilts use your old t-shirt fronts and backs to form the blocks and make a wonderful keepsake for a graduation, birthday, anniversary or wedding gift! Bring us your t-shirts, pick out a fabric color, and we'll do the rest! Cost includes piecing, quilting and binding! Four sizes to choose from. Call for details!

New Arrivals

We have recently received hundreds of yards of new fabric, including Christmas, fall, and Halloween prints, brights, blacks and whites, flannel, Civil War reproductions and juvenile prints. More is on the way. Stop in to see what's new! We have also been stocking up for our busiest season of the year and are receiving shipments daily.

BLOCK OF THE MONTH

Scrap Therapy!

Scrap Therapy addresses the stash problem by teaching quilters how to turn their mounds of beautiful fabric scraps into usable sizes...which are then ready to create quilts and other projects with custom-designed Scrap Therapy patterns. We've decided as a class that we can use up a lot more scraps by doing the majority of the cutting at home and doing a new project every month! Inquire at the shop if you want to see this month's project. You can check it out at www.Scrap-Therapy.com. The club will meet on the 4th Thursday of the month from 7:00 – 9:00 pm. We have room for just a few more people, so call now if you would like to join. **September will be a “catch up” month, if you have previous scrap therapy projects that are unfinished, or missed one that you would like to try, or just need to do more cutting.**

Hanging On a Star Wall Hanging Club!

We will be making a new appliqué wall hanging from the 'Hanging On a Star' series each month on the third Saturday from 10:00 am – 1:00 pm. It will be run the same way as our table runner club. It is \$30 to join. Participants will purchase a pattern each month. The shop's kit will be available but optional. The September project is an autumn wall hanging! Join any time and do only the wall hangings you want!

Elegant Garden Hand Appliqué

We are still accepting sign ups for the Elegant Garden block of the month by Laundry Basket Quilts. In this series, you will learn beginning basics of needle turn appliqué, such as making templates, placing the pattern, and a variety of stitches. You will also learn how to make circles the easy way! There are a total of 24 block patterns in this series. You will be required to purchase at least your first 6 patterns prior to starting the class, which are \$5 each. The class fee will be \$5 per session. Each person will be picking out or bringing her own fabric for this project. We will be running the class as a continuous block of the month, so jump in any time. The class meets once per month on the 4th Tuesday from 10:00 am – 12:00 pm. They will be meeting this month on Tuesday, September 22nd. Please let us know ASAP if you are interested so we have enough patterns!

Table Runners Club

We started with a new book called Table Toppers by Thimbleberries and there are still lots of runners to go! Kits will be available if you like our sample that month, or choose your own fabrics for a totally different look. Kits are available on a 1st come basis on the night of the class and any left over will be put out for sale the following day. The club meets on the third Monday of each month from 6-9 pm. This will be an ongoing club with a one-time membership fee of \$30. Books and fabric sold separately.

Crazy Quilt

We have many inquiries regarding how to make a traditional crazy quilt, so we're going to have a class! A crazy quilt is made of many irregular shaped pieces of fabric sewn together and then topstitched with a fancy stitch. The class will be on Monday, November 2nd from 6:00 – 9:00 pm. The cost is \$20 and does not include the pattern. Put your name on the list now and start collecting fabrics to use!

Aunt Philly's Toothbrush Rug PURSE

It may sound funny, but this quick and easy rug-making method is nothing but fun! The "Toothbrush Rug" is made from torn strips of fabric and a modified toothbrush. These rugs are quick to make and require no sewing and have a fast tearing technique which shows you how to tear all your fabric in just minutes. Go to www.AuntPhillys.com for more information and to see some of the available patterns.

The next class will be on Saturday, September 26th from 12:00 – 3:00 pm. We will be doing the **PURSE!** We now have an adorable purse sample at the shop!

Cost: \$10, fabric, handles, pattern and needle not included. Purchase 2 yards of fabric plus the toothbrush tool and an Aunt Philly's pattern from Sew Little Time and the class is FREE. If you have already taken the OVAL or ROUND RUG class at Sew Little Time, the class is FREE, regardless of whether you bring your own fabric. If you are a first timer and bring your own fabric, the class will cost \$10.
